

Instructions for Using this Catalog

Please note that the library offers books with a wide range of thought. As a result, some books may not represent the view of Scripture expressed by the Reformed Faith. If you have any questions regarding any of the library's holdings, please contact one of our Elders.

Greetings! You are about to view the online Library Catalog for Hillcrest PCA. This document is a list of our current holdings printed in order of book title.

--> To see the Library Catalog, simply scroll down through this document using the scroll bar (on the right) or the arrow icons located in the Tool Bar.

--> To locate a particular book or to find a book by something other than title (eg., by author, topic, or subject instead), please use the "Find" option located above each page in the Tool Bar.

--> This document has been formatted with an 11" x 14" page size to accommodate as much information as possible in a readable format for online viewing. Attempting to print to an 8 1/2" x 11" paper will cause some of the information to be truncated.

If you have any questions about this document or the church library, please contact Kelly Condon.
